

HOW TO MAKE A DEPOSIT

At Impressio, we pride ourselves in helping our users achieve financial independence, and we do this by strategically investing their money into cryptocurrencies, so that they see a healthy return. We have various plans that are tailored to the specific needs of the user, but of course, it all starts with your deposit. Here is the clear and easy way to make a deposit in your Impressio account and start reaping the benefits of the platform. After clicking on the “Make A Deposit” tab in the main page, you should be brought to this screen:

MAKE DEPOSIT

Deposit into your Impressio account to start earning tomorrow.

COUPON CODE

Got coupon code ? To activate it enter code and press activate button.

Here, you can take advantage of our many coupon codes in order to unlock a promotional offer. Of course, this is optional. We are consistently providing promotional offers through our social media, so remember to follow us on Twitter, Facebook, and Telegram. Regardless, after entering the coupon code, or not, you must then choose from one of our investment plans. Here are your options:

5.5%	STARTER Daily for 26 Business Days	Select this plan	Min \$ 25	Max UNLIMITED \$
4.5%	ADVANCED Daily for 45 Calendar Days	Select this plan	Min \$ 25	Max UNLIMITED \$
12.5%	PRO After 14 Calendar Days	Select this plan	Min \$ 25	Max UNLIMITED \$

Calculate Profit

Use this convenient calculator to keep track of your profits accurately and efficiently.

Amount you would like to invest

DAILY PROFIT	0.000000	₿	₪	₪	₪	Profit is reflected only during business days
TOTAL RETURN	0.000000	₿	₪	₪	₪	Profit is reflected only during business days

Here, you can choose between the starter, advanced, and pro investment plans. All plans have a minimum investment of \$25 needed, with no maximum deposit. There is also a calculator to help you calculate the amount of profit you should obtain, in terms of both daily profit and total return. After you choose your plan, you then have to select your form of payment:

You selected plan

PRO

Which will get of 125% After 14 Calendar Days

SELECT PAYMENT

BITCOIN

ETHEREUM

LITECOIN

Here, you choose whether you would like to pay in Bitcoin, Litecoin, or Ethereum. After selecting an option, this screen will appear:

Amount | 0.10000000 

0.001 0.01 0.05 0.1 0.5 1.0 5.0 10.0

 Total profit **0.12500000** 

 Total time **After 14 Calendar Days**

Make deposit Invest from balance

In this screen, you decide the amount that you wish to deposit, or invest from your existing Impressio balance. After that, you are ready to go, and start your journey to financial independence with the Impressio platform! After making a successful deposit, you should be rewarded with this notification:

It's that simple! This indicates that you have made a successful deposit, and can start earning immediately, depending on the plan you have chosen. Of course, if you ever have any questions, contact support immediately. Impressio knows that there are many options, and appreciates your investment and your loyalty.
